
The school pupil will receive his/her own computer

GYLA's Gori office represented a school pupil who graduated with honors a basic course at the public school in one of the villages in Akhaltsikhe Municipality. According to the received scores, he/she had to be given a computer within the framework of the program - "My First Computer". According to the LEPL -Educational and Scientific Infrastructure Development Agency's decision, the school pupil was unreasonably refused to hand over the computer. The illegal decision was appealed in court, and the dispute was finally resolved in favor of the pupil. Tbilisi City Court instructed the LEPL Educational and Scientific Infrastructure Development Agency to hand over a laptop to a pupil within the framework of the program "My First Computer".
