Legal support of the employees in the field of culture

Name of the project: Legal support of the employees in the field of culture

Geographical area: Tbilisi

Duration: 12 months

Budget: - 14 975 USD

- OSGF

The aim of the project is to provide legal support to the employees in the area of culture. That will be achieved through the implementation of relevant tasks and activities for the next 12 months with legal support and litigation, and by raising awareness.

Project Outcome: The project will empower employees in the field of culture through legal support. The project will also increase visibility and consolidate public opinion on violations of the rights of the target group.
